

“Samchully Machinery with CIMT2011.”

From 11. April to 16. April. 2011, we appreciate visiting Samchully machinery booth in CIMT2011, Samchully Machinery confirmed **Global competitiveness and established world class work-holding image by CIMT2011.**

Also, While exhibition period, we gave strong impression to buyers and visitors via various marketing and new model display. And CIMT2011 was so valuable time to see the trend of world machine tools.

Although CIMT2011 was finished, Samchully' challenge has just begun. **Until our chucks and rotary cylinders 'll be standard of all machine tools. Samchully' challenge has continued.**
