

FR-UK31 Series Online UPS (10-60KVA)

Features :

- True Online double conversion
- IGBT Inverter and output isolation transformer
- High reliability DSP control
- Wide input voltage range
- DC cold start function
- Full protection function
- Intelligent RS232 /RS485 Communication Port
- SNMP adapter or USB (optional)
- Advanced no-master-slave parallel technology (optional)
- Intelligent battery monitor system - MMBM (optional)

Application :

- computer room
- data center
- precision instrument
- intelligent equipment

Topology :
