

KR33 Series Online UPS (10-60KVA)

Features :

- True Online double conversion
- Fully DSP control
- Advanced PFC technology high input power factor
- High reliability and performance
- Wide input voltage range
- DC cold start function
- Advanced battery charging management
- Intelligent fan speed control
- ECO and EPO function
- Full Protection function
- Intelligent RS232 /RS485 Communication port
- External SNMP or Dry contacts (optional)
- Advanced no-master-slave parallel technology (optional)
- Intelligent battery monitor system - MMBM (optional)

Application :

- Computer room
- Data center
- Precision instrument
- Commercial facility
- Intelligent equipment
