

PRODUCT DATA SHEET

BEL-RAY® BLUE TAC CHAIN LUBE

Bel-Ray Blue Tac Chain Lube is the ultimate chain lubricant for all street, off-road and racing motorcycle and ATV chain application including 'O' and 'X' ring units. **Bel-Ray Blue Tac Chain Lube** is extremely tacky and designed to resist fling-off even in high speed applications while providing outstanding chain and sprocket life. **Bel-Ray Blue Tac Chain Lube** will not wash off even in the wettest conditions and it contains anti-rust agents to protect chains.

Applications

- ◆ For all motorcycle and ATV chains including 'O' and 'X' ring chains used for street and off-road riding
- ◆ For long lasting protection against rust and corrosion
- ◆ For protection against shock loading and severe wear caused by metal-to-metal contact

Features and Benefits

- | | |
|------------------------|--|
| ◆ Superior anti-wear | Special anti-wear additives provide exceptional protection against metal-to-metal contact for longer chain life. |
| ◆ Corrosion protection | Full chain coverage is achieved easily to form a protective coating that is waterproof and will not wash out. |
| ◆ Superior penetration | Sprays on thin allowing penetration between side plates which are the wear points. |

General Description

Bel-Ray Blue Tac Chain Lube is a high performance, fully synthetic and extremely tacky chain lubricant for street and off-road riding motorcycle and ATV applications. High speed dyno testing proves that **Bel-Ray Blue Tac Chain Lube** does not fling-off at speeds approaching 100 miles per hour within fifteen minutes of application. The convenient aerosol containers spray the unique formulation on the chain to protect against rust and metal-to-metal contact.

Bel-Ray Blue Tac Chain Lube is the state-of-the-art chain lubricant for motorcycle and ATV chains. **Bel-Ray Blue Tac Chain Lube** is available in aerosol containers.
