

# Diameter Tapes & Increment Borers

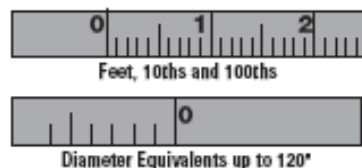

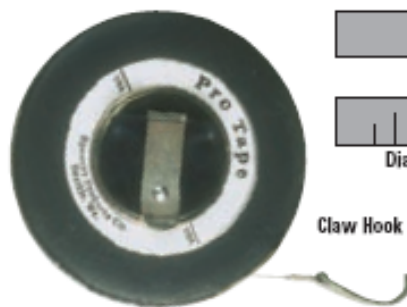

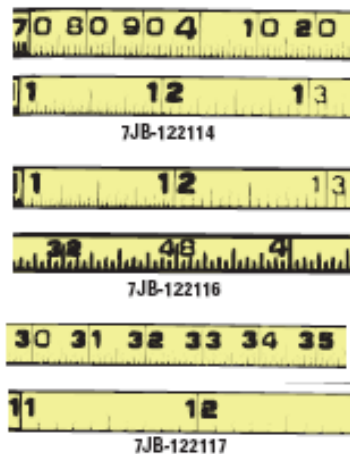

## Lufkin® EXECUTIVE® Diameter Tapes

Pocket-size 6'L (2m) Diameter Tape has a zero mark located 3" from the tape end. Convert diameter to circumference by turning the blade. 1/4"W (6mm), yellow-clad blade; polished-chrome case. On English tapes, length side is graduated in inches to 16ths, with the first 12" to 32nds. Metric tape has consecutive centimeters to millimeters one side; diameter to millimeters on other side, numbered in centimeters.

No.	Description	Weight	Each
7JB-122114	Diameter: inches to 100ths	0.3 lb.	
7JB-122116	Diameter: inches to 64ths	0.3 lb.	
7JB-122117	Diameter: centimeters to millimeters	0.3 lb.	

◆ English ■ Metric

Claw Hook

## SPENCER® 35'L ProTape® Diameter Tape

Chrome-plated 3/8"W x 35'L steel tape features black graduations in feet, 10ths and 100ths. Reverse side gives diameter equivalents up to 120". Every tape comes with a claw hook for fastening to trees; fits into the edge of case when not in use. Housed in a heavy-duty plastic case. Rewinding handle is a folding hook that fits neatly into case when not in use.

No.	Description	Weight	Each
7JB-121508	35L ProTape Diameter Tape	1.0 lb.	
7JB-121462	Refill Blade with Claw Hook	0.8 lb.	

◆ English

## Pole Tape

Measure circumference and diameter at the same time.

Chrome Pole Tape has easy-to-read black markings on both sides: consecutive linear inches to 1/8ths on one side, diameter inches to 1/4ths on the other. Blank space before zero allows for overlap, allowing for a more accurate reading. Single measurement gives you both circumference and diameter of logs or poles. 1/4"W x 72"L. Ring on one end.

No.	Description	Weight	Each
7JB-108599	Pole Tape	0.25 lb.	

## SPENCER® 50'L ProTape®

Yellow-clad Tape features loop end, fast automatic rewind with locking brake and heavy-duty plastic case. Housed in heavy-duty DuPont Delrin® case. Graduated in feet, inches and 8ths.

No.	Description	Weight	Each
7JB-121601	50L ProTape	1.0 lb.	
7JB-121579	Leather Tape Guard	0.5 lb.	

◆ English

\*Don't forget the Tape End Nails on page 76.

## SPENCER® Yellow-Clad ProTape® Diameter/Linear Tape

Yellow 3/8" clad tape. One side graduated in feet, 10ths and 100ths with the other side graduated to diameter equivalents of 10ths up to 120". Rustproof, vinyl-covered steel case. Closed-loop handle and construction end design.

No.	Description	Weight	Each
7JB-122230	50L Diameter/Linear Tape	0.8 lb.	
7JB-121574	Refill	0.3 lb.
