

PRODUCT DATA SHEET

NO-TOX[®] FOOD GRADE WHITE GREASE SPRAY

No-Tox Food Grade White Grease Spray, commonly known as No-Tox White Grease, is a premier, convenient-to-use, lubricating grease in an aerosol package. **No-Tox Food Grade White Grease Spray** is NSF H1 registered for use where incidental food contact may occur. **No-Tox Food Grade White Grease Spray** is fortified with low friction lubricating solids, anti-wear additives and rust inhibitors. **No-Tox Food Grade White Grease Spray** is designed to give the optimum equipment and operational protection to the machinery found in the "clean" industries such as food, beverage, pharmaceutical and personal care products.

Applications

- ◆ Where excellent cling and adherence properties that resist the wiping/squeezing action of gears, cams, ways and sleeve bearings are needed

Features and Benefits

- | | |
|---------------------------------|---|
| ◆ NSF H1 registered | Use where incidental food contact may occur. |
| ◆ Compliances | Kosher and Pareve approved. Halal certified. |
| ◆ Bacteriological protection | Effectively inhibits the growth of certain bacteria, yeast and mold in the lubricant. |
| ◆ Aluminum complex thickener | Virtually waterproof. |
| ◆ Anti-wear properties | Reduces friction and wear. |
| ◆ Rust and oxidation protection | Longer re-lubrication cycles. |

General Description

No-Tox Food Grade White Grease Spray is an outstanding anti-wear and anti-rust grease in and aerosol package. **No-Tox Food Grade White Grease Spray**, formulated with the highest quality ingredients, meets NSF H1 and FDA requirements for materials that may have incidental contact with food as defined under Title 21 CFR, 178.3570. It is Kosher and Pareve approved, as well as Halal certified. **No-Tox Food Grade White Grease Spray** meets the volatile organic compound (VOC) exemption criteria established in California's Consumer Products Regulation by the California Air Resources Board (CARB) and the proposed VOC limits by the Ozone Transport Commission (OTC).

Product No. 62440

NO-TOX[®] FOOD GRADE WHITE GREASE SPRAY

TYPICAL PROPERTIES OF CONCENTRATE

<u>Product No.</u>	<u>62440</u>
NLGI Grade	2
Penetration, worked (60 strokes), ASTM D217 mm/10	280
Thickener Type	Aluminum Complex
Viscosity (Base Fluid), ASTM D445 @ 40°C, cSt	208
@ 100°C, cSt	18.5
Lubricating Solids Type	PTFE, ZnO
Water Washout, ASTM D1264 @ 79°C (175°F), loss, weight %	2.5
4-Ball EP Test, ASTM D2596 Weld Load, kg	200
Rust Protection, ASTM D1743, rating	Pass
Color	White

Caution: *Use in a well-ventilated space.*

Product is flammable and should be used with appropriate caution.

Do not spray on a hot surface or in proximity to flames or open fire.

Do not puncture or incinerate container, even when empty.

Always wear safety glasses when using this product.

Keep container away from heat.
