## NO-TOX<sup>®</sup> FOOD GRADE MULTIPURPOSE LUBRICANT SPRAY

**No-Tox Food Grade Multipurpose Lubricant Spray**, commonly known as No-Tox Multipurpose Lube Aerosol, is a versatile, general purpose lubricant designed for all types of equipment found in the "clean" industries such as food, beverage, pharmaceutical and personal care products.

**No-Tox Food Grade Multipurpose Lubricant Spray** is NSF H1 registered for use where incidental food contact may occur. **No-Tox Food Grade Multipurpose Lubricant Spray** is a food grade lubricant and it is ideal for preventing rust and displacing water from equipment parts.

**No-Tox Food Grade Multipurpose Lubricant Spray** cleans, lubricates and preserves.

### *Applications*

---

- ◆ Widely used in food and poultry plants operating under the Federal Meat and Poultry Products Inspection Program's Food Safety and Inspection Service (FSIS)

### *Features and Benefits*

---

- |                                    |   |
|------------------------------------|---|
| ◆ NSF H1 registered                | Use where incidental food contact may occur.  |
| ◆ Compliances                      | Kosher and Pareve approved. Halal certified.  |
| ◆ Bacteriological protection       | Effectively inhibits the growth of certain bacteria, yeast and mold in the lubricant. |
| ◆ Anti-wear protection             | Reduces friction and wear.  |
| ◆ Rust and oxidation prevention    | Longer service life.  |
| ◆ Excellent penetration properties | Creeps and penetrates deeply into any metal parts.                                    |
| ◆ Tacky and non-drip               | Provides superior adhesion to metal.  |

### *General Description*

---

**No-Tox Food Grade Multipurpose Lubricant Spray** is a multipurpose NSF H1 registered spray lubricant. The convenient aerosol container sprays the unique formulation on the machinery to protect against rust and metal-to-metal contact. **No-Tox Food Grade Multipurpose Lubricant Spray**, formulated with the highest quality ingredients, meets NSF H1 and FDA requirements for materials that may have incidental contact with food as defined under Title 21 CFR, 178.3570. It is Kosher and Pareve approved, as well as Halal certified.

**No-Tox Food Grade Multipurpose Lubricant Spray** meets the volatile organic compound (VOC) exemption criteria established in California's Consumer Products Regulation by the California Air Resources Board (CARB) and the proposed VOC limits by the Ozone Transport Commission (OTC).

### *Product No. 61881*

# NO-TOX<sup>®</sup> FOOD GRADE MULTIPURPOSE LUBRICANT SPRAY

## TYPICAL PROPERTIES OF CONCENTRATE

<b><u>Product No.</u></b>	<b><u>61881</u></b>
ISO Viscosity Grade	100
Viscosity, ASTM D445	
@ 40°C, cSt	99.4
@ 100°C, cSt	11.2
Viscosity Index, ASTM D2270	98
Rust Test, ASTM D665, Procedure A & B	Pass
4-Ball Wear Test, ASTM D4172	
@ 1200 rpm, 40 kg, 1 hr, 75°C	
Scar diameter, mm	0.48
Color	Water-white

**Caution:** *Use in a well-ventilated space.*

*Product is flammable and should be used with appropriate caution.*

*Do not spray on a hot surface or in proximity to flames or open fire.*

*Do not puncture or incinerate container, even when empty.*

*Always wear safety glasses when using this product.*

*Keep container away from heat.*
