

Economy Box

Plastic draw latch Type for Opening/Closing - IP66

Economy Box

►As any steel or other accessories are not attached to this product, it is useful for coastal place and is not corroded even at the place where climate changes largely.

As shrinkage and expansion occur simultaneously in case of high temperature or drastic cooling, it can protect housed equipment by the optimal conditions.

►It is easy to divide into upper and lower and have excellent workability. As an integrated economic plastic box, it has an excellent competitiveness, easy to work.

►It is convenient for petro-chemical, chemical plant, sewage disposal facility, fire-fighting, environmental pollution prevention facility, housing facility, coastal factory, cement, etc.

Materials & Composition Table

A G •Material:ABS
•Color: Gray

A T •Material:Cover(PC), Body(ABS)
•Color: Cover(Clear)

P G •Material:AC Flammability
•Color: Gray

P T •Material:Cover(PC), Body(AC)
•Color: Cover(Clear)

P C G •Material:POLYESTER
•Color: Gray

P C T •Material:Cover(PC), Body(POLYESTER)
•Color: Cover(Clear)

ABS:Acrylonitrile Butadiene Styrene

P C:PolyCarbonate

Polyester : PBT+PC

AC:ABS(30%)+PC(70%)

►ECONOMY Product has 6 product names as shown above and can be made of any of 4 materials shown above. Product acquired IP66 Grade on each product manufactured by any of 4 materials.
