

2410

StealthLite™ 2410 LED Flashlight

Overview

Same features as the StealthLite 2400 Flashlight but with the LED module that produces a true, bright collimated LED beam. The 2410 is corrosion proof, resistant to extreme temperatures, and submersible. It is powered by 4 AA alkaline cells (included). For hands-free operation, attach it to your hard hat with our optional helmet light holder.

- Built Pelican tough
- Unconditional Lifetime Guarantee of Excellence
- **Submersible**
- **Super bright LED beam**
- **As bright as a Xenon light with the battery life of an LED**
