MAN ASSISTING INNOVATIONS

THE BEST ALTERNATIVE

MAI[®]2MIXHANON

QUALITY, YOU CAN BUILD ON

The MAI[®]2MIX HANON will never let you down: The universal horizontal mixer processes practically every type of lime- or cement-based dry premixed mortar. The solid MAI[®]2MIX HANON works also under the toughest conditions and is at the same time - with a single on/off-button - very easy to handle.

A PRO FOR BEGINNERS

But the MAI[®]2MIX HANON is not only perfect to handle. Especially the easy disassembling and cleaning of the mixer as well as the reasonable price make it an attractive alternative to a drum mixer. A real professional for beginners!

FOR EVERY KIND OF MORTAR

With the MAI[®]2MIX HANON you're able to process masonry mortar, plaster mortar, flooring mortar, tiling mortar, adhesive mortar, gap filling mortar, reinforcing mortar, scraped renderings, renovation plaster, light plaster, floating and set, cement plaster, insulating plaster, setting coat, levelling mortar, etc.

YOUR ADVANTAGES

- A low cost alternative to a drum mixer
- Processes practically every type of lime- or cement-based dry premixed mortar
